REPORT FROM THE COMMODORE

**COMMODORE
GARY RUFFIER**

Hello Bay View,

February has arrived and Lady Khristina and I had a fun filled January. Starting off with our 2025 Change of Watch. I feel we have a strong bridge and board to serve our club this year. I would like to thank my ball committee for all the great food that they provide for this event.

We had the honor of attending PPBC and ORYC's ball. We had a great time at both events. I want to thank Commodore Gretchann and Gentlemen Jeff for attending APYC and Commodore Trey for attending PBC.

We have a great year planned and a complete 2025 Bay View calendar, it can be found on the website and on Facebook. Please keep in mind that these events are subject to change.

We would also like to see more members attend the general meetings, this is where you will learn the most about what is happening at our club and where you can express any concerns you may have.

It is important that members complete the work hours as this is what helps keep our club running. You need to have 10 hours done by June 30. Make sure you fill out the work form and get it signed. Keep the yellow copy for your record. Please refer to the BVYC website for our 2025 committee list to find out which committee is best for you.

REPORT FROM THE VICE COMMODORE

**VICE COMMODORE
GRETCHANN UTTERBACK**

We won't have too much more cold and snow to embrace...with any luck. It does seem that there is value in the boating off-cycle that is winter here in Ohio. Such is the case for our upcoming London Broil Dinner and Comedy Show scheduled for Saturday, February 8th here at Bay View - more info below! P/C Fleet Captain Dave Patlin's Casino Bus Trip and Rear Commodore Trey C's Super Bowl Party and Birthday Bash are sure to be enjoyable February winter events! Please refer to BVYC.org for additional details about the upcoming events. The annual 1-page BVYC Event Calendar is also available and will be posted on the Bay View Yacht Club Facebook page.

Please welcome our new member, Sandy Orm, to Bay View! Sandy became a new member at the January general meeting. Looking forward, my goal is to obtain pictures of new members and share their portraits on-screen at the club. This will help us all get to know our new members and hopefully help them transition more readily in to being comfortable here at the club. And, as always, let's continue to introduce ourselves to faces that may not yet seem so familiar - we can probably all recall that nervousness of being new and unsure of what club processes are. Let's continue to let them know that we are thrilled to have them with us and show them why Bay View is a great place to be! Sandy, welcome! We are all here to support you as a new member. Membership questions are welcome - please direct them to me at the number listed below.

With respect,

Gretchann Utterback
