Report from the Commodore

Finally! Spring has Sprung! Soon enough the yard will be full of members buffing and waxing and then my favorite part, a full harbor! It's going to be beautiful!

Words can't express my appreciation for all the members who have put in countless hours to make our Friday Fish Fry's such a huge success thus far - Could not do this without all of you, thank you.

I was very happy to see so many faces this past weekend with the buses that came to visit Bay View. Many thanks to EMBC, FYC and TSC for coming out. The day went off without a hitch - well we did need one when we plucked Ford's bus out of the mud - but that's what friends are for. Not to mention our bartenders, Tracy, Heather and April - we could not of had better service Saturday without you ladies - Thank you! The ladies say they couldn't of done such a bang-up job without the help of several members throughout the day-many thanks to you for 'pausing your party' to help keep the bar running smooth. And last but not least, our DJ Ken Campbell who, as always, brought out our Karaoke Commodore's for everyone's enjoyment (and laughs) and kept the party rollin' all day long. A great day was had by all!

Last but not least... South of the border party for the Opening of the port will be held at BYVC April 21st. The club will close at 5 and there will be a door charge to get in to the party that night. If you would like a ticket to get into the party please see either V/C Steve, R/C David, or Myself. See flyer for more information.

**Vice Commodore
Steve Suffety**

Hello Everyone, I hope your third month of 2017 went well and you are getting ready for April. It's time to start removing the winter garb, replacing worn lines, attaching those dock poles, and planning 2017 excursions. Spring has arrived and the best is yet to come. We were scheduled to vote last month on candidates Steve Schuldt and Timothy Swisher. I had forgotten to get a background check from AYC, so we delayed the vote. This was completely my error. My apologies! Their AYC check has come back clean and we will be voting on them at the next meeting. New candidates Scott Aldrich, Doug Avery and Bob Decker will be getting their 1st and 2nd readings along with a vote in the month of April. I have sent in for their AYC background check and am awaiting feedback. I'm writing this article on March 19th and I am in recovery mode, for yesterday was a marathon day. Now I'm not talking about the type of marathon you spend a few months running around in circles, getting all lean and fit, before the big event. This event takes a much different commitment to prepare for. And I've got to say, I can still hang with the big dogs... on the day of the event... However the following day??? Not so much... I have the incredible urge to spend the day in a hammock, under a tree, looking over the surf, with a nice warm breeze, and a cabana girl, messaging my feet, and bringing me food and drink. Now I know what you guys are thinking. That sounds like a great day, any day! Sign me up! And I know what you girls are thinking. "What about Lori?" Well ladies, it would be an even better day with her by my side, being spoiled by her own cabana girl. J Yesterday morning while many of you were preparing your dishes to pass, (Thank You Very Much), the fleet captains, the bridge, and the Sackets were also preparing food for our soon to be arriving visitors. Our very own Ken DeeJay Kasey-Campbell was on the main deck setting up his equipment. At approximately 1 pm EMBC arrived with about 100 people on two buses with enough energy to get us to the moon and back. Around 3 pm, they were in departure mode when FYC's bus could be seen approaching the parking lot, but coming to a premature stop, just short of their destination. Kind of like the Lucky Duck once did on her 1st voyage to BVYC, only on land. Luckily our Commodore Tony Blank was able to use his Fleet Captain Tom Blank's truck to pull that bus out of the mud. Now if anyone needs a tow, the Blanks can definitely help you out. Tony pulled that bus about 5 feet before it was realized that the bus's brakes were still engaged. Once this was discovered and corrected, it was clear sailing into the parking lot. Ford also arrived with a lot of energy and the time passed way too quickly. They stayed until around 5 pm which gave us a short break before TSC showed up.

At approximately 6 pm TSC entered the building and brought down the house. Hours passed at a blink of an eye and way too soon, it was time for them to depart. The club was still very active with members and guests and the energy level was still high however the afterburners had been distinguished and things began to slow down. At 10:25 Ken announced, "Last song of the evening." However one of our members who somehow attained a mic announced that the party was just getting started. I'd like to say there was cheering from the membership, but there was not. Just Ken, wearily shaking his head, looking at that member as one would look at a child who was running around all day on sugar. Ken with his hand held out stated in a fatherly tone, "It's time to put the mic away. It's time to call it a day." As my 8 year old self reluctantly handed over the mic, my youthful energy suddenly disappeared and was replaced by the aches and pains that a nearly 54 year old body endures on such an eventful day. I suddenly had the urge to be picked up, carried home and tucked in, however those days are long gone, so I wearily departed on my extremely sore feet, and I believe I fell asleep before my head hit the pillow. I want to thank everyone that took part of this eventful day. This was some great exposure for our club and our guests were very grateful for our hospitality. I passed out 6 applications and netted 1 appointment.

Happy Spring Everyone! See you, and yes -- I mean you, at the club!

Sincerely, Vice Commodore, Steve Suffety / (419) 206-9522

Report from the Rear Commodore

Rear Commodore
David Krell

This is the first article that I have written when it is not sunny and warm. But now I can see on the calendar that May is just a month away and summer just around the corner.

Well I survived another birthday on St. Patrick's Day and made it to the club for the Jigg's dinner. My family came out to enjoy the feast and I was able to eat with them. That was probably the best for place for me to be...out of the galley and more importantly out of the crews way. As always there was a great crew for this dinner, lead by Marsha and Greg who did a wonderful job. They had help from Jodi C, Judi R, Corrine W, Lola E for the prep work. Ruthann made and donated those tasty shamrock cookies we all enjoyed. Serving and clean up was Chuck M and Ted B. Even though the weather turned badly and it was a Lenten Friday we still sold 75 dinners!! I know I may start to sound like a broken record, but WOW, you all continue to amaze me by coming out and supporting our events. It is great to know that there is plenty of support for our amazing club.

Yesterday, we had three bus trips into the club as Elba-Mar, Ford, and TSC traveled to visit us. It was quite a busy and long day but so much fun. We meet a lot of new people and we're able to talk the other clubs Rear Commodores. We shared the different responsibilities each club has for their Rear's and couldn't be happier that we are in charge of entertainment for BVYC!

By the time you all get this newsletter we will probably have had the children's Easter party. Just a reminder, it's April 2nd at 1pm. With all the successes of the past events, I can only guess that it will also be a successful and hopping good time.

Tentatively we are planning on having a Mother's day brunch (guys to cook and serve the mothers) on Sunday May 14th. If anyone is willing to help and or cook/serve please contact me.

Thank you all for your support of our events. If you have any suggestions or ideas please let me know. I look forward to seeing everyone at Tony's Ball on April 8th at Maumee Bay. Please stop by the club and check out the flyers for more upcoming events.

Rear Commodore,
David Krell
