Commodore David Patlin

Report from the Commodore

HELLO BAY VIEW!!

To all that fixed the boat lift, a special THANK YOU!!

Committee Updates:

Communication: If you notice an issue with something around the club that is broken, needs attention, an idea that you have, etc. please contact the appropriate committee chairman. That brings up the work parties that have been taking place and will be planned to get the club in shape for our regatta. Please reference the sign up sheets that will be posted inside the club for the regatta.

Landscape: Brian Orth and the people helping him are doing a great job but can use some additional help. The areas that need cutting are split into zones so that one person doesn't have to put in so much time. All needed equipment is provided so please contact Brian to help if you can.

Work Hours: A reminder that each member is responsible to have their service hour sheet signed by the committee chairperson preferably at the time of the work being done. It is recommended that you do not leave your slips in the box unsigned.

2021 Homecoming: Homecoming is August 20&21. Friday will be *Mustang Sally* & Saturday will be *Legendz Experience*.

Teams wanted for the Saturday golf outing. Sign up sheets will be in the clubhouse. The golf outing is open to everyone!

In case you have not received your invite, the cocktail party is open to all P/C's, the bridge, current officers, the board, and everyone on the committee list.

Commodores Ball: Date set for October 9, 2021. We are working on hotel accommodations

As always, a special thanks to my wife, Lady Laurie for all she does!

Membership report:

Active: 184
Social: 102

If you know of anyone who may be interested becoming a BVYC member please introduce them to our great club. We are planning to conduct our second membership drive of the year during Home Coming 2021.

Please keep your membership information up to date via our club web site (www.bvyc.org) or send me updates via text, email or in writing (attention Vice Commadore). My contact info is at the bottom of this article. When you have a change of address, email or phone number it is very important for us to update the club's records.

I would like to thank all who have helped with and attended our Friday dinners. Please check-out the flyers posted at the club for upcoming dinners. We greatly appreciate your support.

See you at the Club!

Report from the Rear Commodore

Rear Commodore
Thomas Berkebile

Wow! The raft off downtown went beyond my plans and met my hopes! What a great time! We rafted 21 boats in the Maumee river for the Toledo fireworks. We remained mostly together for about another hour after the show. The ride back down the river at this hour was non-eventful. Everyone on the river followed the no wake rules the ride back was smooth and easy to include the bridges being open. For a last minute plan by the city, the fireworks presentation was possibly the best any of us can remember. We just had another live show on the 24th, this time under the pavilion (at least that was the plan). Between the VC's fantastic dinner, "The Only's" show and what the weatherman is telling me today, it should have been a great evening. I hope you were able to make it.

Many of you may be reading this after returning from the club cruise. The cruise started at Kelly's Island, followed by a couple nights at The Cedar Point marina and ended at the ILYA event on Put-In-Bay for the first weekend in August. Be sure to look for pictures on the club event screen. I'm sure many new, potentially embarrassing photos, will be available for scrutiny.

August is packed with events so no live bands will be scheduled by your Rear Commodore. The Middle Bass cruise is scheduled for the 13th & 14th.

We have two great bands in support of our Homecoming – Tobi is back and she got the band together again! "Mustang Sally" will be here on Friday and "The Legendz Experience" will perform Saturday night. Be sure to sign up for the various tasks required to make our Homecoming an overwhelming success. The sign-up sheets should be available in front of the auxiliary shop. More hands over the entire weekend equal less work for all of us. This will include teardown on Sunday.

On Saturday, September 25th, The Ross Thompson duo is on the docket. Ross is a very talented local keyboard artist.

August ILYA Schedule:

13 & 14 – TYC and Ford Yacht Club Regattas – Club Cruise to Middle Bass

20 & 21 – Where else but BVYC Homecoming

27 & 28 – Grosse Isle and SunSeekers

Don't forget about the club event at Maumee Bay the weekend of September 17 & 18th. I don't know if any spots are still available. Look for the sign-up sheet at the club.

We're still in need of an Electrical Committee Chairman. If you have this skill set, please support the club and offer your talents. I'll work with you to have some apprentices assigned.

For club bookings, please contact myself or Tony. The club reservation book can be found at the bar. Ask your bartender. My Email and contact number can be found on the signature line.

Keep the keel side down,

Tom Berkebile

Special Announcements

BVYC is seeking **Gas Dock Staff** for the 2021 Boating season. The gas dock hours may be reduced or irregular due to the staff shortage.

For more information call Woody @ 419-290-5362 or email wamberjack@aol.com.

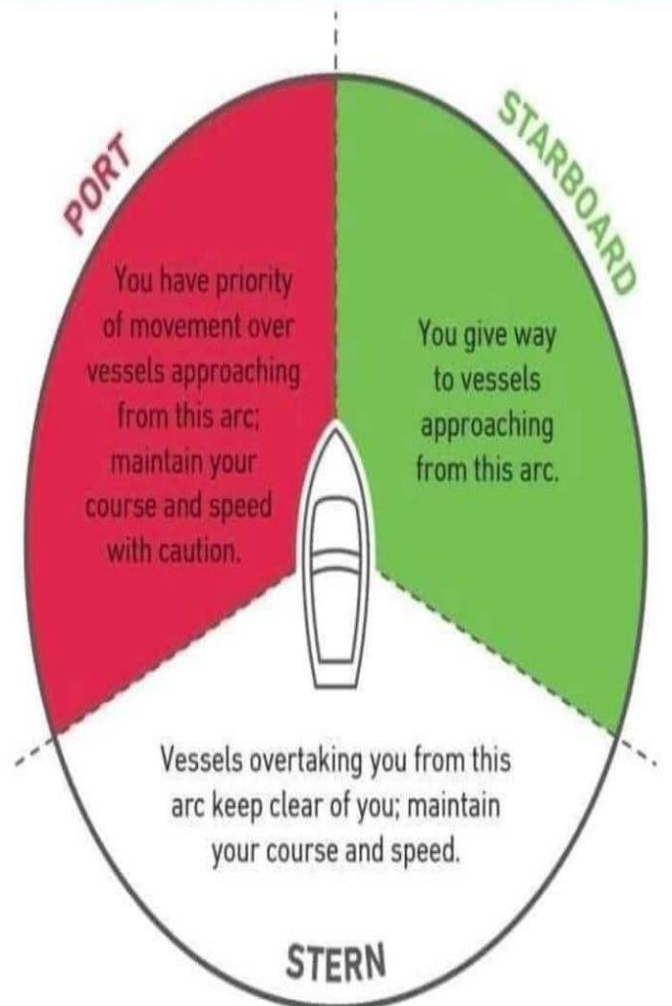

We are in urgent need of **Electrical Help**. Whether experienced or want to learn....Please contact an officer of the bridge at your earliest convenience.

There are also **lots of opportunities for work hours**. We are in the process of beautifying the club to get it "Ship Shape" for the Home Coming.

Nauti Corner ☺

You gotta love technology. Today we can text a buoy and receive water and weather data. I recommend you create a contact called Weather Buoy 45165. The phone number is 866-218-9973. Then create a text message to Weather Buoy. In the text field, put in 45165 and hit send. That's why you put 45165 in the contact name so you remember what to put in the text field. In seconds you will receive weather and wave data from the buoy that sits out in front of Meineke's marina. I believe there are others as well but that's the only one I'm familiar with. Also, one of the best Apps I've found is called Sail Flow. It's meant for sail boaters but works great for any type of boating. It basically will tell you the forecasted winds for your area. Download the app from your phone store then launch it. You will see small arrows on a map. Touch on one of the arrows then click on forecast. Then you will see projected wind speeds and directions for the next week as well as the weather outlook. If you know of other Apps and boating technology you would like to share then forward to Jeff Palmer - nemo@bex.net for consideration in the next newsletter.

BVYC Ladies Shopping & Dress Resale Event

We will be having a Ladies Night Out Shopping Event on Thursday, August 26th from 6-9pm. We will have a few vendors such as Color Street dry nail polish, Plunder jewelry, and Tastefully Simple.

We would like to give you the opportunity to sell your new or gently used and cleaned dresses, shoes, and jewelry at this event. You will be able to bring your items for sale to BVYC on Sunday, August 22nd from 12:00-4:00pm to Gretchann, Sue, and Deb at the Ship Store. You will be asked to fill out a form listing your items for sale.

While the sale is Thursday, August 26th all items will be available for sale through the weekend. The BVYC ship store will deduct 15% of your total sales which will go directly to the club ship store inventory. Sellers will receive payment for items sold during scheduled pick up times.

Bay View Yacht Club - LADIES NIGHT OUT SHOPPING EVENT

Please complete this form upon dropping off items to sell - all items must be clean, in good condition, and labeled with price tags attached to include your name and price on the top and bottom of the tag! We can help attach tags with our plastic gun at drop off - place jewelry in bags and tape label to the bag!

Drop Off Date: Sunday August 22nd from 12:00p-4:00p @ Shipstore

* Contact Deb Goedde for other times if needed (419-344-7631)
