Report from the Commodore

Hello BVYC,

Welcome to the July addition. Boating season is upon us! BVYC had the honors of hosting Opening of the Port this year. This event is put on by BVYC, MRYC, TSC and TYC. It revolves from club to club each year. We put the team together in January and started planning our fundraiser (South of the Boarder Party) in which many of you attended. Then we moved on to planning the Opening of the Port. I decided to move the ceremony over to TYC since they have plenty of room on their grounds to handle the crowd. There was a chance of rain that day and we started planning to have the ceremony inside however the weather gave us a window of opportunity and we took advantage of it. It was a daunting task to put this event together however I felt a great deal of satisfaction as the event unfolded and all that needed to be done was done. After the ceremony we boarded the boats. We placed half of the 2018 Commodores on Commodore Kelsey's boat and the other have on our very own. I found it difficult dividing my own class until I came up with the idea of asking who was going down the slide. With one quick swoop the class was divided. The more sensible commodores would be on Commodore Kelsey's boat and the throw caution into the wind or should I say down the slide would be on our boat. We were being chided on the radio that we didn't have the stones to go down the slide and the banter between us all went back and forth. We anchored in front of the Owens Corning Headquarters, and donned our lime green class color swim suits. I was honored to be the first one down the slide and when I hit the water it was a welcomed relief from the day's heat. One by one we followed suit and repeated the feat many times. We were all laughing and splashing and for a brief moment we were all 10 years old again. It was a great day in which I will never forget.

The summer is upon us! My wishes are that all of you will be able to get out and enjoy all that life has to offer! The great ones teach us to cherish what we have. In doing so the journey becomes more enjoyable not only for ourselves but for those that we choose to share our lives with. I'm looking forward to a great summer with all of you!!!

Well summer you are finally here, and our weekends are filled with Cocktail parties and Regattas...tough lives we lead! Lady Courtney and I attended the Opening of Port ceremonies host by Bay View and held at Toledo Yacht Club. It was followed by a boat ride up the river with our fellow Commodores and guests. A delicious chicken dinner was held at Bay View as the Saturday night dinner. The following day I attended Toledo Yacht Club's Memorial Day Ceremony. While at TYC Joe Petersberger invited me to attend the Harborview Memorial Day Ceremony at 12:30. His invite was simple, "You are welcome to come to ours, as you are already dressed for the event!" So I jumped in the Trojan and off to Harborview we went. It was my first time attending the event and it was very nicely done.

The following weekend, June 2nd Lady Courtney and I attend Point Place Boat Club's cocktail hour. As usual it was a good time until my bread stick fell off my plate, down my shirt & pants, leaving a trail of red sauce. Red sauce and white uniforms do not work well together, but my drycleaner is enjoying my business! We finished off the night at Harborview's steak roast and joined the other Bay View members from the 5 club poker run. Sunday morning, I went to support AYC Vice Commodore Tom Kovach at his golf outing. The event was held at Detwiler Golf Course with the awards dinner at Bay View featuring a steak roast.

On June 9th Lady Courtney and I headed up to Ford Yacht Club for Opening of the Islands. The water was a little rough, but we made it in just in time. It is such a great event and this was it's 30th year! Their committee does an excellent job, as most of them have been on the committee for years.

Friday, June 15th Lady Courtney and I were at Toledo Sail Club for their \$1.98 party, which is always an experience. This year did not disappoint as I am currently having flashbacks of Roger Rabbit on stage, while writing this newsletter. Special shout out to our dashing Lady Lori who made a special appearance!

We have some 2019 Commodore's Ball fundraising going on at the club in a couple forms: A Bloody Mary bar on the FIRST SATURDAY of the month from 10-2, (make your own Bloody Mary or Clamdigger) as well as EVERY SUNDAY Funday-Commodore Bucket of Wine featuring Mon Ami Wines.

Please be on the look out for upcoming events around the club.

We continue to look for new members, please don't forget to bring your family and friends around to join the party!

Vice Commodore,

David Krell
