WOW, that is all I have to say because it is March and if you think about it, in 6-8 weeks we can if the weather permits start getting the boats ready.

Since last report Mike and I have represented Bay View Yacht Club at Point Place Ball and TIYC reception. Both were wonderful times and we enjoyed gathering with our class of "15".

Bus trip to Greektown and boat trip was a lot of fun. Thank you to everyone that went along. I won \$25.00 so I was ahead when we left. We stopped at DBBC on the way back and what a great bunch of people, they put out a spread of food for us and entertained BVYC.

On to the BIG WEEKEND AYC at the French Quarters----wow our outgoing AYC commodore and his committee out did themselves in planning this event. We were all taken back to Put In Bay for a few days.

Congrats to the crew that designed and put in many hours for our club room the "JAIL". If you have not heard yet we won 1st place for the second year in a row. So hats off to all of you. I do not want to miss anyone by listing names but you all know who you are. I will ask P/C Steve Berry to please post in the club with our award the members that made this all happen.

Watch for flyers for upcoming events as there is a lot going on around the club. We have dinners, and bus trips coming in. Our next fish fry will be March 6.

March 21st is the Commodore Ball at the Holiday Inn French Quarters. Hope to see all of you there. Invites were mailed out to all members and if you did not receive one please let me know and I will make sure you do.

There are a lot of upgrades going on around the club which have been long coming. If there are any questions please talk to one of the board members regarding your questions.

I will be signing off now until next month. I am sure I will have very full report.

Report from the Vice Commodore

**Vice Commodore
Douglas LaLonde**

Hello Again,

Erin and I hope everyone has made the best of winter so far. I hope everyone is keeping warm this these subzero temperatures. Erin and I were able to attend AYC weekend at French Quarters and this event is definitely a party to mark on your Yearly calendar. The AYC room was well planned out. I would like to thank everyone who helped with the room this year. I would like to thank the Anonymous Donor who donated ceiling tile in order to redo the entire main floor ceiling grid.

With the Board of Trustees guidance we will soon be sending out letters to address our membership audit mistakes we have found, if you are or someone you know is not receiving newsletters or a dues bill, please let me know so I can check your current address during our auditing process. Early March we are projected to hand out new Door Cards and Membership cards, in order to receive these as part of our auditing process you will have to check your info printout and sign off that everything is correct and include your place of employment and profession. We are asking for this so we can focus your work hours were we need work and if you excel in a certain area the project could get done quicker. Those of you that are out of town we will mail these out to you as we receive your completed form attached to your newsletter. Our updated membership count approximately is at 213 active and 103 social, we need some good suggestion to fix these numbers. Please email me with your thoughts and/or ideas. I need them. If anyone needs hours please check with Tony or me; there is always a task that needs to be addressed and completed. Please don't be afraid to call one of us.

IF YOU KNOW ANY BAYVIEW FAMILY MEMBERS THAT ARE HOSPITALIZED OR GREIVING from a passing. Please call me so I can have a floral arrangement sent to them or their family - 419 283 2820

To move on to current business, I would like to notify the membership of upcoming changes.

First, I would like to congratulate Ben Davis Jr. on being our newest member sworn in on Wednesday, January 14, 2015. Next, memberships that change to Social status from active are Christopher Bennett, Donald Hoste, Doug Pompli, Maurie Gingrich, and Sue Kroma. I would like to remind them that you're more than welcome to participate in club functions and use of the main facility. Lastly, Membership changes from active/social to resigned are Paul Lorenzen. I would like to wish them good luck on future endeavors and let them know the invite is always open to come back when life provides the chance; we will miss you.

That's all for Now
Doug L your Vice.

NOTE : TO ALL SNOWBIRDS AND OUT OF TOWNERS, PLEASE REMEMBER TO FILL OUT ATTACHED FORM ON THIS NEWS LETTER IF YOU WANT YOUR DOOR CARDS AND MEMBERSHIP CARDS. THIS FORM NEEDS TO BE COMPLETED AND MAILED BEFORE WE WILL MAIL OUT YOUR PACKETS. SORRY FOR THE INCONVIENANCE THIS IS A NECCSARY STEP IN THE AUDIT PROCESS. YOUR UNDERSTANDING IS GREATLY APPRECIATED

Report from the Rear Commodore

Rear Commodore
Anthony Blank

Hard to believe that it is March already! This year is off to a great start. Thanks to everyone that came out for the chicken cordon bleu dinner, we sold out 60 dinners in under an hour. I am looking forward to upcoming events like that. This past weekend was the AYC ball at the Holiday inn French quarters. I had a blast along with everyone that attended the event. That is always a great weekend to attend.

On to upcoming events, first off will on Sunday March 15th we will be having a Jigs dinner. Next will be the Kids Easter party on March 29th. Make sure you sign your kids up at the Bar to participate in the event. There will be an outside Egg Hunt, and Crafts for the Kids and a Visit from the Easter Bunny. Parents who choose to eat will be asked to donate \$3.

On into April 17 we will be having a Chicken Paprikash and dumpling dinner. Now onto the big event will be the Margaritaville on May 2nd.

And one last thing... Congratulations to everyone that helped out with the AYC room, BVYC received first place in the room decorating!!

Your Rear,

Tony Blank

Bay View has ValvTect Products in our Diesel tanks

ValvTect Marine Diesel

Today's low and ultra-low sulfur diesel fuels destabilize more rapidly, offer poor lubricity, contain higher levels of moisture and are more susceptible to bacterial growth and filter plugging than higher sulfur diesel. Because sulfur helped to lubricate the fuel system, premature injector and fuel pump wear may also occur.

ValvTect Marine Premium Diesel contains BioGuard™ biocide, lubricity improver, water dispersant, corrosion inhibitor and fuel stabilizer and is specifically formulated to prevent problems caused by the reduction of sulfur content.

ValvTect Marine Diesel with BioGuard™ is "specially formulated" for your marine diesel engine. It requires no additional fuel additives to protect your engine, eliminating any risk of improper additive use and saves time and money. ValvTect Marine Diesel with BioGuard™ protects your marine engine with these additional features and benefits.

VALVTECT MARINE DIESEL VS. COMMERCIAL DIESEL FUEL
