Report from the Commodore

I am pleased to announce the use of the Commodore's parking spot for the month of June goes to outstanding member Scott Aldrich. Scott has worked countless hours on our floating dock project. Without his vision, drive and determination this project would not be where it is today. Thank You Scott!

As I sit down to write this article the Opening of the Port committee is hard at work finalizing the plans for this year's ceremony. By the time you read this the celebration will have already taken place. Based on all the work I have seen go into the planning of this year's event I am confident it will be a great one. Each year Bay View Yacht Club, Toledo Yacht Club, Toledo Sailing Club and Maumee River Yacht Club work together to plan and execute this annual event. The four clubs take turns hosting the celebration each year. The planning starts in early spring. The annual "South-of-the-Border" party in late April or early May serves as a fund raiser for the Opening of the Port Ceremony and associated Boat Parade. This year's "South-of-the-Border" was held at Maumee River Yacht Club and was a huge success. Next-up is the main event. We start the day with registration and brunch. Commodores and Past Commodores from many of our fellow AYC/ILYA clubs then join the Commodores, Past Commodores, and bridge members from BVYC, MRYC, TSC and TYC for the annual flag raising ceremony that formally kicks-off the boating season. The highlight of the day for most is the boat parade. Following the boat parade, it is back to BVYC for an evening of food, entertainment, and comradery. What a great way to kick-off another boating season. I would like to thank everyone who helped make this event a success.

The dock repair committee is facing several new challenges this year and an increased workload. I am proud to report they have stepped-up and meet the challenge. The team assembled the new work barge and associated equipment. Developed new procedures and used new techniques to accomplish their objectives. In addition to their regular work the team has been tasked with disposing of the old work barge and setting new poles in the fall for the floating dock project. Needless to say, this team could use some help. Please see Jay Kelly or Gary Staebel if you can lend a much-needed hand. Great team effort gentlemen.

Brian Orth has gone above and beyond to keep our grass cut. He does most of the work himself and uses his own equipment! This time of year, cutting grass is a never-ending job. Thanks Brian, and thanks to those few who are helping him. Brian has sign-up sheets posted on the bulletin board in the club. Please sign-up to cut a section of grass. It is broken down into very manageable pieces. We really need some additional help in this area.

Let's Make 2022 Great!

We've now started cooking on the grill Wednesday nights before the member meetings. For \$7.00 we provide burgers and brats most of the time with chips and a side dish. However every so often through the boating season we'll change up the menu to keep things "fresh".

The Horse race at BayView on May 7th had some mighty slow horses this year. Unlike the very exciting KY Derby, our races lasted about 30min each. Whew! Congrats to Erin LaLonde for the best hat. If you didn't make it out on May 13th for Brad Tober and Jeremy McClellan on the deck, you missed out on a great Friday night. They were incredibly awesome and we'll have them back soon.

Be on the lookout for the 4th of July events this year. Last year we had over 20 boats raft off in the Maumee river and it was a great experience watching the fireworks together. We waited for the mad rush to clear and by 30min to an hour, it was a pleasant drip down the river home afterwards.

Thanks to my ball committee and Lady Lisa for the help this year. By the end of this month we'll be half way through. We have a lot of things scheduled for the fall starting off with an Octoberfest.

For the members who no longer have a boat and need a boat fix. Look me up. You're welcome on board Haitus for a journey out to another club, or on board at another club during the summer.

Ask me or my Ball Committee about:

Tickets for the '22 season OSU/MI football games \$35 with 16 chances to win. Look for me to get the chance at a \$200 gas card for \$10. That should get you to TSC and back.

Happy June! I can't believe that summer is almost here. May has been a great month. The Mother's Day Brunch was amazing! We served over 170 members and their family members. I am so grateful to all of those that came out and celebrated the amazing women in our Bay View Family. Our May Birthday Bash was a great success. We had almost 70 members in attendance. P/C Tony and I attended Edgewater Yacht Clubs Ball in Cleveland celebrating Commodore Patty Krotseng. June is shaping up to be a great month already.

Please Note: When booking, planning and reserving the club for your parties, the only calendar you should go by is the one on our website: <https://www.bvyc.org>. If you have submitted a room
