Report from the Commodore

Hello Members, We have made it half way through the summer and there is more to come.

Lady Erin and I have been very busy going to Cocktail receptions representing Bay View which included Elbamar and Ottawa River, River View and Perrysburg Boat Club, and Monroe Boat Club and Nugents Canal Club- poker run stop. Erin and I hope everyone is having a fun filled summer. Lady Erin and I would like to extend a warm welcome to all the new members that have recently been sworn in, but also remind you to come to the club events to meet and greet and ask questions to other seasoned members.

Moving on we have our annual Homecoming coming up on August 19th and 20th . We will be looking for volunteers for setup and teardown and other items, if you are looking for work hours there will be a sign up board Tony Blank and Brian Rogers will assign you were they need help. The board will be placed near the trophy case. We will be having New bands this year Zodiac Click on Friday Night and I believe Who's your Daddy on Saturday Night. There will be a PIGS IN A BLANKET DINNER on the 19th and a chicken dinner on the 20th . There will be a Car show on Saturday with a 2 man band playing during the show. Also there will be a golf outing and a 5k benefit run.

Lastly, I would like to remind everyone that 1st half work hours were due July 1st there are several members that have not reported or turned there work hours in, please remember to turn your work hours in. I also would like to remind all members to label your trailers, we have several unidentifiable trailers in our lower yard with no member names please label your trailers this is a requirement by our by-laws and our insurance company. I would like to make a suggestion to all members that we take a few minutes each month to look over the by-laws and review them.

I want to remind and notify everyone that the August 10th meeting has been canceled due to ILYA weekend which the entire bridge will be attending. This was approved at 1st meeting in July.

That's all for Now

Report from the Rear Commodore

Ahoy Mateys! What a great summer it's been so far. The weather has been amazing and every weekend has been packed full of activities. Lori and I made our way over to TSC for the Friday night portion of the Flip Flop Cruise where we enjoyed dinner, dancing and good fellowship. Everyone there seemed to be having a great time. On Saturday we loaded up the boat with BVYC members, "The Josh & Doyle Band", and then headed out to Woodtick. Due to the winds we decided to play on the inside of Woodtick. I wish you could have all seen the looks of the people's faces who were already there, as we beached Chapter 5, opened up the coolers, put out the spread, turned on the slide and fired up the band. We had boats from both clubs rafting off and plenty of smiles all day long. When the day turned into evening, we packed up and headed back to BVYC for a mouthwatering rib dinner, music from "Who's Your Daddy" and dancing. Well done to all those that worked to put this together!!!

The following weekend we again loaded the boat with BVYC members and headed back out to Woodtick for Island Fest. The place was packed full of boats and party goers. There was beer pong, Frisbees, wading, swimming, dancing and sliding. It was a very enjoyable day!

If you have been missing out, not to worry, we have a lot of activities coming up. On August 5th - 7th we have a Club Cruise to Lake Front Yacht Club. On August 10th - 14th is the I-LYA Power Boat Regatta at Put-In-Bay. On August 19th - 21st is BVYC's Homecoming! There is also a Poker Run at Ford Yacht Club going on the same weekend.

Lori and I had dinner the other night with an old friend I used to work with when I was in my late teens/ early 20's. I hadn't seen Greg in almost 30 years and our conversation brought back some great memories. As I was thinking about our conversation a few days later, it really hit me how young we were at that time. We were just starting our careers and our dreams were still forming. A few years after we parted ways, my ambitions were to become a multi-millionaire in real estate. His dream was to become the owner of a large and successful engineering firm. We both ended up experiencing a lot of obstacles. My real estate business eventually went under and he realized after many years of working too many hours, that he was better off with a smaller yet efficient engineering firm. Things didn't quite turn out as planned and yet we were both very happy with the journey. Life is short. But as long as you are thankful for what you have, surround yourself with people you love, and make the time to do the things you love, it can all work out!

See you at the club my friends!

Special Announcements

Inter-Lake Yachting Association (I-LYA) Update

I-LYA hosted the Junior Sail Regatta at Put-In-Bay on July 17 - 22. 2016 is the second year to have the participation of powerboat kids at the Junior Sail regatta; they help out by operating small power boats for the sail race judges. Two of BVYC's own are pioneers in this merger of "sail kids" and "power kids"; **Austin Patlin** and **Josh Kneisel** participated at the 2016 Junior Sail Regatta. Also, because there are approximately 150 kids at the regatta, some adult chaperons are necessary. Representing BVYC were Judi Rogers and Sharon Kneisel who volunteered as chaperons and assisted with Buckeye Lake Yacht Club's team dinner. Congratulations to our juniors and thank you to our chaperons.

Power Boat Regatta: As of this writing, there are 17 BVYC boats registered for the Power Boat Regatta which will be held on August 10 – 14. This is a great turn out for our club!! I am looking forward to a great regatta.

BVYC Historical Article

The Wreck of the Nemo

We often think that we coexist with the commercial vessels on the water without difficulty or danger, but sometimes circumstances work against us and we are reminded of what can happen when steel meets wood or fiberglass. Although this tale does not involve BVYC directly, it did have grave repercussions for the city of Toledo.

On the morning of September 2nd 1911, the naphtha yacht Nemo was heading out on a fishing trip in foggy conditions with 8 persons on board. About a half mile out from the mouth of the river they met the 480 foot steel freighter Philip Minch in the channel. The captain saw the Nemo's lights and twice blew warnings on his whistle. The Nemo attempted to cross the Minch's bow and was run down. Seven of the eight on board were killed.

What made this accident so noteworthy was that the dead included a Toledo city councilman, the secretary to the director of public service, and four employees of the water works department including its superintendent. Both Toledo and Detroit city councils suspended business for a day except for adopting resolutions memorializing the lost public servants. The Toledo resolution was penned by Mayor Brand Whitlock, a close friend of deceased Councilman Harry Batch.

The upper picture shows the hull being raised and the lower picture shows a hard hat diver searching the hull interior.
