Report from the Commodore

Hello BVYC,

Welcome to the March addition. We have actually had winter weather this year and I am happy to report that Lady Lori and I are both staying warm and doing well. We hope all of you are too!

I'm writing this article on Sunday February the 18th, the day after the AYC Commodore's Ball. It was another great event at the French Quarter's. If you have never made it to this event, you should check it out next year. Each club is given a room, where they remove the furniture and build a theme room. This year the BVYC team built a dune buggy and zip line excursions. The BVYC team puts a lot of time and energy into our theme room every year and they have done an amazing job once again! It was fun seeing people getting pictures in the dune buggy and pictures using the zip line. Lady Lori and I had a great weekend visiting each room, seeing old friends and making new ones. We have also attended Commodore Balls for Toledo Sailing Club, Point Place Boat Club, Ottawa River Yacht Club and Elba Mar Boat Club. Speaking of Commodore Balls, our Ball Committee has been very active with fund raisers and we are on target for our financial responsibilities thanks to them and all of you that have supported our events. We have 3 scheduled Fish Fries coming up on March 2nd, 9th & 23rd. We also have The Michigan Pub Crawl on the March 24th.

Our Ball is quickly coming up on April 7th at Maumee Bay. Invitations will be out soon. We will be having a fun filled evening. The cost is \$50 per person which includes a delicious meal, open bar, a band, and hopefully sunset pictures of all of us and the lake from their upper deck. We hope to see you all there to help us celebrate BVYC's 2018 year.

Shamrock shakes are here which means March is just around the corner, and spring is really on its way! The boating season is just starting to get going for the bridge officers as our weekends are filling up with events. It seems like it has been a quiet month, but I know this is just the beginning of another great boating season.

On January 27th Lady Courtney and I attended TIYC/ORYC Winterfest cocktail party. Afterward we accompanied members of our 2019 class down the block to stop at a few clubs for the poker run. The fun didn't stop there, as later that evening we met at MRYC for dinner and a show by Mad Dog Adams. We were treated to VIP seats hosted by their VC Chris Jurek. We were seated in the front row and within five minutes we were fully indulged in the banter of the show...he told me he was glad I brought my daughter, referring to Courtney! To be honest I wasn't a fan of Mad Dog, but after this event I must admit he is a great performer and look forward to seeing him again at Put in Bay.

Great job to Steve's Ball Committee on the Friday night dinners as it is a nice change when it is my turn to cook for Lady Courtney...haha!

Rear Commodore Chuck and Lady Moe are off to a great start with their Super Bowl party held on February 4th. It was a great event even if Courtney's Super Bowl pick beat mine. They also hosted the Valentine's Day dinner with Judi Rogers and her crew. I am still amazed how the basement is transformed into such a romantic dining experience and Lady Moe's flowers for the ladies was a sweet touch.

On the weekend of February 16th-19th the French Quarter hosted the AYC Ball. To anyone who hasn't attended an AYC weekend, you are missing a fantastic event. It is a great value for your money. Where else can you go to eat and drink for two days for only \$45? This year's theme was Islands, and in typical Bay View fashion, we went outside the box from all the other clubs and did Island Excursions. Great work to everyone involved with this event. To the surprise of most, we didn't place but the rest of the clubs are really stepping up their game. As our shirts said "Hang on! We'll give you a wild ride!" And we didn't disappoint. From the dune buggy for photo ops, to sliding down the zip line, memorable experiences were had in the room.

In membership we have a new member Charlie Darr and his wife Dee. Please make sure to welcome them to our BVYC family!

We have a blue binder at the bar to update your contact information for the new year. We are trying to update members contact information to get a new membership directory out as it has been a few years. In the book some things to be updated are general information such address, boat specs, email, and if you want the newsletter mailed or emailed. And please don't forget to sign the form once you have confirmed or changed the information.

To continue on with our membership drive portion of the newsletter I have a little advice for everyone. Get involved with the club, do as many things as you can! I have always believed that the more you put into an organization the more you will get out of it. This is more evident the more I do with the club and my 2019 classmates. If someone told me 5 years ago I would be a Vice Commodore of Bay View Yacht Club I would have told them they were nuts! Well as I write this I can tell you the experiences, friendships, and bonds you make are hard to put into words but already priceless. Invite your family, friends, neighbors, and anyone that likes to have fun out to the club. Lady Courtney and I can't wait to have an amazing 2018 with you and all our new members! As always if you have any questions please don't hesitate to call or email me.

I cannot believe how fast each month goes by. I would like to say myself and Lady Moe hosted the Super Bowl party. We had a great showing and everyone had fun.

The Valentines dinner was a great success thanks to Judi Rogers and her crew. I would like to give thanks to all the help that we had, it would not have been such a success without all of their help. **THANKS TO ALL THAT HELPED!**

The Bus trip was great. It was a good time with all the members and a great way to celebrate Lady Moes birthday.

We have a Jiggs Dinner planned for March 16, 5:30 to 7:30, and \$10.00 per meal. Hope everyone can come out and be Irish that day.

Just a reminder that members who need 1st half work hours helping in the kitchen or an event is an easy way to get them plus having fun.

Until next month I hope to see everyone out at the club having fun and getting ready for spring. Almost ready to remove shrink wrap.

Thank you

Rear Commodore
