## Report from the Commodore

WOW, I really hate to see the summer go away so fast. Overall I think most everyone made the best out of the boating season despite the conditions we all were up against.

Now we are all pulling our boats out for the season and hoping our return in spring is more normal.

Thanks again to everyone keeping the club moving forward, and accepting the guidelines that the State has put into effect. We all are hoping that many are lifted soon.

We had our last club cruise of the season to Maumee State Park on Sept. 18<sup>th</sup> and what a great showing from the members. I think that was one of the largest we have had filling all the docks. Some came by car and most ventured out in some blustery wind and waves. I would like to thank Tony Blank for heading that event up, and everyone that attended. Events like this don't happen by just one person or the Fleet Captain. It is done by everyone that participated. As I have said before our members at BVYC are great. We all come together to make the best of any event.

Nominations are up on the board in the clubhouse, and remember to come out to vote on Oct. 14<sup>th</sup>.

For those who are in need of work hours please reach out to the committee chairman. The yard this time of year really can use some additional help. The list with contact information is posted on the board in the clubhouse.

Also be sure to have the committee chairman SIGN your slip to get credit for your time.

Please watch out for any Club parties that may be coming up. The Rear Commodore will post them as he completes the details.

Stay safe and healthy,

## Report from the Vice Commodore

Vice Commodore  
David Patlin

Thanks to all who have come out to support our dinners and events at Bay View!

There will be a November fundraising event which will be a fun filled evening of Friendsgiving & Festival of Meat on November 21, 2020. Stay tuned for details.

Thanks to Rob Pawloski for conducting the Friday drawings in my absence. A special thank you to Steve Cummerow for assuring our lift is up and running safely and securely and also to Tony/Tom Blank for all the work in organizing the Maumee Bay State Park club cruise, what a great weekend!

It has been a recurring theme during potential new member interviews, that in addition to our club location and many amenities, the friendliness of our members stands out as a benefit to joining. Thanks to the membership for promoting BVYC and please continue to do so!

Many of our new members this year are not only new to a yacht club but also new boaters, so don't hesitate to reach out to them to help them learn all the in's and out's!

Our membership as of 9/23/20 is a total of 281

## **Report from the Rear Commodore**

**Rear Commodore  
Christopher Sackett**

Hello BVYC...

The Maumee Bay State Park Club Cruise was a great event. Thanks to all who worked so hard to make this annual event such a success. Thanks to all who attended and made the weekend so enjoyable.

This year's Color Cruise is scheduled for October 3. Hopefully the weather will cooperate and a good time will be had by all. Cruising up the Maumee in the fall is a wonderful way to spend the day!

Friday October 16, soulful, solo-acoustic, singer/songwriter, Chad Hoffman (chadsolo.com) will be back in the house. Come out to the club and enjoy an evening of excellent live entertainment from 6:30 – 9:30

The Michigan Ohio State football game is scheduled for December 12. We will be having a chili cook-off. Whip up a batch of chili and join us.

It has been a great summer. I would like to thank everyone who continues to contribute their time and talents. You are the ones responsible for making BVYC the great club it is.

Reminder: To ensure everything runs as smooth as possible, all club private party reservations will be scheduled via the bar. We are accepting reservations but we cannot guarantee your event will be held. It will depend on the size and type of event. If you would like to make a reservation, please see Bar Manager Tony Blank or myself and we will get you on the calendar.

See you at the Club!

Chris Sackett

## The Best Boat Winterizing Checklist

*And everything else you ever wanted to know about putting away a recreational boat for the season*

SPRINGFIELD, Va., Sept. 16, 2020 – Boaters in much of the U.S. and Canada acknowledge the need to winterize their boat's engines each autumn. But what else can go wrong? Boat Owners Association of The United States ([BoatUS](http://BoatUS.com)) offers boat owners a free online resource at [BoatUS.com/Winterization](http://BoatUS.com/Winterization). The website is chock full of winterizing checklists, tips, and a downloadable Boaters Guide to Winterizing to help all vessel owners ensure their boats are stored safely for the winter.

“In addition to winterizing the engine, there are a few other important things boaters should know,” said BoatUS Vice President of Public Affairs Scott Croft. “Like [should you use a plug-in heater?](#) How do you [store a boat that has E10 fuel in the tank?](#) Or once preparations are done, [how can you keep your boat safe over the winter months?](#)”

In addition to a [boat engine winterization checklist](#) for both outboard and inboard engines and another on [what to look out for over the long winter lay-up period](#), [BoatUS.com/Winterization](http://BoatUS.com/Winterization) also offers [off-season outboard care tips](#) and help with [what to do if the winter storm of the century approaches](#). Following the winterization guidelines from BoatUS will help ensure you get back on the water faster next spring.
