## Report from the Commodore

Hello BVYC,

With our Change-Of-Watch in the rearview mirror and our new Board, Officers and Committee Chairs in place, we embark on a new year. We seek to write the next chapter in this great club's history. I encourage all members to contact one or more Committee Chairs, exchange contact information and get involved. The 2022 Committee List is included in this newsletter and is posted on the board at the club. The more you put in, the more you get out...

I have decided to try something new this year. As you probably know the Commodore has a nice, reserved parking space at the club. Throughout the year, I will offer exclusive use of that space to an outstanding member (or significant other) for a month. At the first General Membership Meeting of each month, I will announce who gets use of the parking space. This month use of the Commodore's Parking Space goes to outstanding member Ruthann Murphy. Ruthann, thank you for all you do for BVYC!

By now it is old news that our club's work barge sank last spring. Upon pulling it from the lagoon and inspecting it, it was determined that the old barge is "used-up". Repairing it yet again is no longer a viable option. We made it through the 2021 season with no work barge, but it became apparent the barge is a very valuable piece of equipment and that it needed to be replaced. For months we shopped for a barge and took a few road trips to look at equipment. Finding a used barge that would meet our needs was proving to be difficult. One day late last fall young Francis C Reno notified us that he saw an ad for one for sale in Vermilion OH. Led by Dock Repair Chairman Gary Staebel the members of the Barge Replacement Committee traveled to Vermilion to inspect the equipment. We were please with what we saw. We reported back to the Board and the Membership. After two readings the Membership voted and granted the Committee permission to acquire the barge. Using their own trucks and trailers Gary Staebel and Jay Kelley made two trips to Vermilion to get the barge and bring it home to BVYC. We are now focused on equipping our new barge to fit the club's current and future needs. We are not done yet, but we are getting much closer to a working solution... I have enjoyed chairing this committee and would like to thank the members of the Barge Replacement Committee who have put in countless hours on this project with more to come...

The 2022 BVYC Commodore's Ball is March 26, 2022. Please save the date. We would love to see you at the Ball. The Ball Committee has been working very hard to make this a special night. It takes a lot of effort by a lot of people to pull-off an event of this size. I would like to thank everyone on this years Ball Committee. I would like to give a special thanks to Lady Diane, without all her hard work we would not be in the strong financial position we are regarding this year's ball.

Let's Make 2022 Great!

# Report from the Vice Commodore

Vice Commodore  
Thomas Berkebile

I'll be getting into full recruitment mode soon. I'll start with some of Commodore Sackett's recruits and get them through their final approval stages.

**ATTENTION:** Please request the membership update book when you stop by the club this month and next. If your info is not updated before April 1<sup>st</sup>, your card will be deactivated. Once your info is updated and signed, your card can be reactivated. If you're out of town for the next two months please email (contact) me. I'll be sure to send your document electronically, or by mail for update, and signature. You can then send it back electronically or by mail.

I've started something a bit new this year in an effort to help us get to know each other again. I'll randomly select a member each week and highlight them next to the information board. I'm requesting a picture and brief something about who you. Share anything you'd like. I'll keep these up for about 4 weeks and cycle in the new ones. Please support this so we can put names with faces again.

Brian Orth lead us off this month.

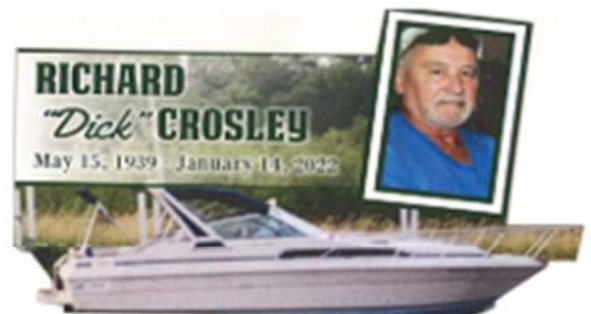

Wayne Liske for week 2

and Penny Dalton was selected last week.

I'm sorry to announce that Dick Crosley, member number 42, passed away last month. Mr. Crosley started his membership at Bay View back in March of '72.

One of the many things found at his funeral: "I don't need therapy, I just need my boat."

This month (February) my committee will host a rotating Euchre tournament on the 12<sup>th</sup>. A Pot Luck dinner starts at 5, and the game starts at 6 and continue until 9. Look for more details on the fliers at the club. There is a sign-up sheet at the bar.

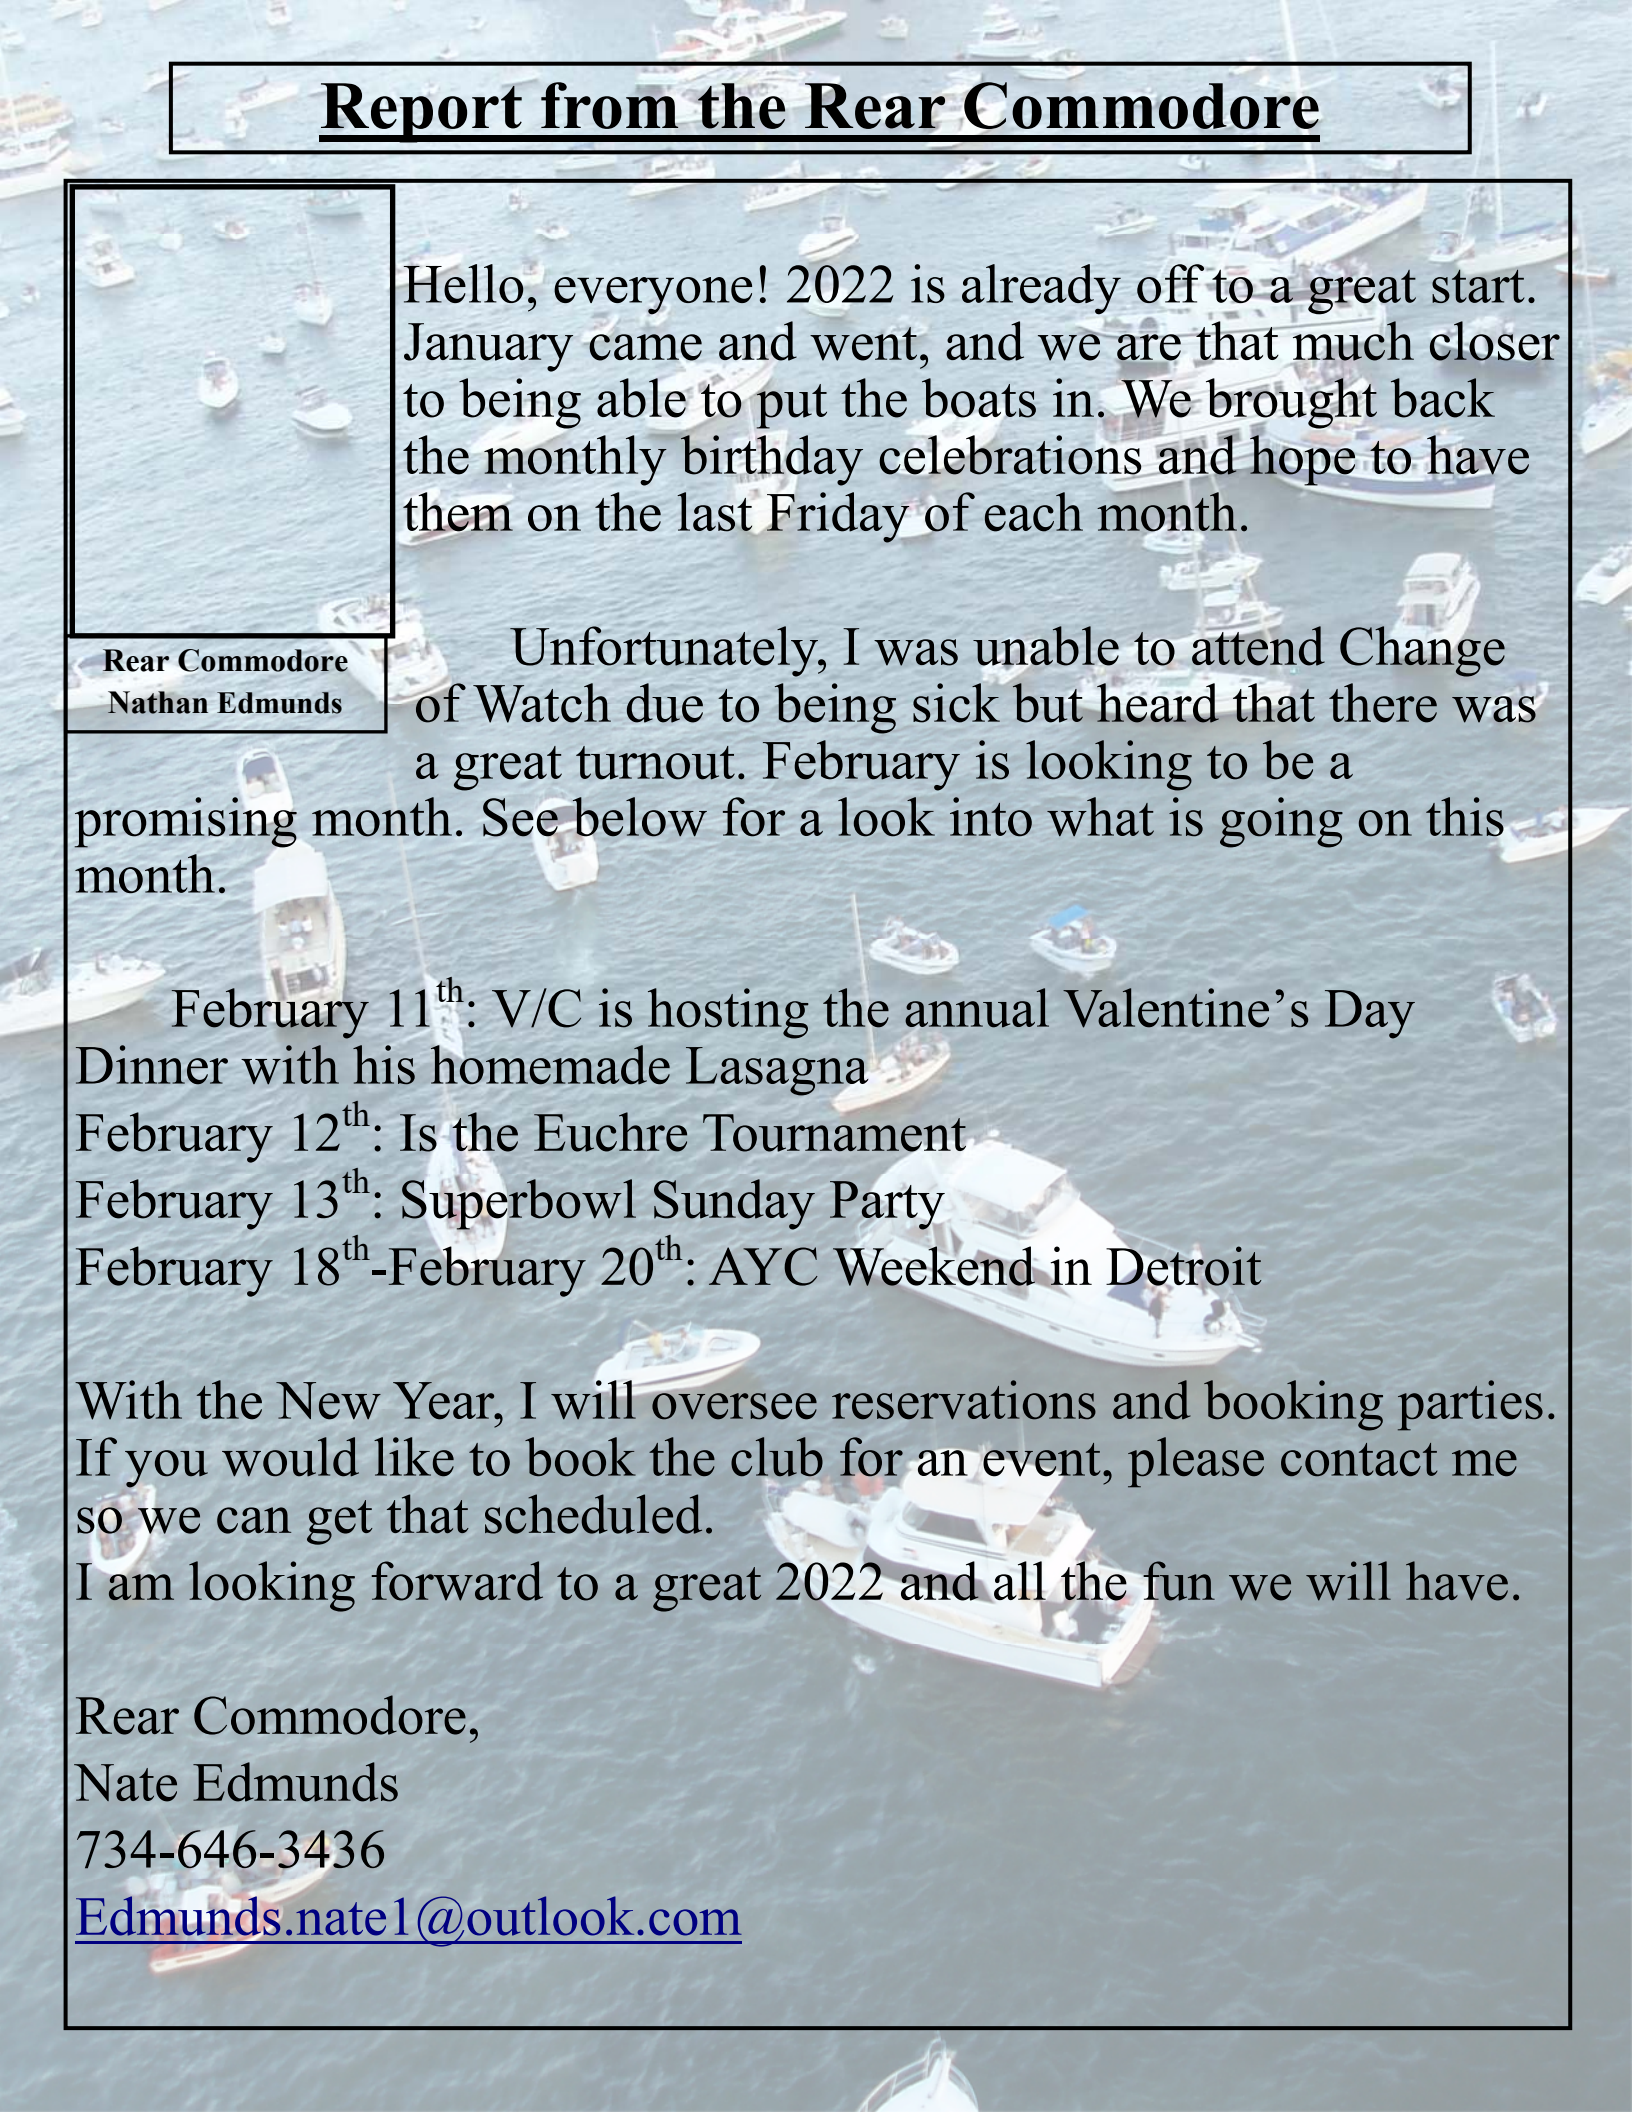

I'll be serving a Valentine's lasagna dinner starting at 6pm on Friday, February 11th.

## Report from the Rear Commodore

Hello, everyone! 2022 is already off to a great start. January came and went, and we are that much closer to being able to put the boats in. We brought back the monthly birthday celebrations and hope to have them on the last Friday of each month.

Rear Commodore  
Nathan Edmunds

Unfortunately, I was unable to attend Change of Watch due to being sick but heard that there was a great turnout. February is looking to be a promising month. See below for a look into what is going on this month.

February 11<sup>th</sup>: V/C is hosting the annual Valentine's Day Dinner with his homemade Lasagna

February 12<sup>th</sup>: Is the Euchre Tournament

February 13<sup>th</sup>: Superbowl Sunday Party

February 18<sup>th</sup>-February 20<sup>th</sup>: AYC Weekend in Detroit

With the New Year, I will oversee reservations and booking parties. If you would like to book the club for an event, please contact me so we can get that scheduled.

I am looking forward to a great 2022 and all the fun we will have.

Rear Commodore,

Nate Edmunds

### From the Desk of:

#### Past Commodore Donald T. Rogers (or in this case, the kitchen table)

I am so very honored to become your newest life member. It is with gratitude and love that I thank my sons, Brian and Brett, who orchestrated this movement.

It takes a long time to look back on 50 years of membership. Many pictures, great events and meeting so many new friends. Then there's Lady Judi's pictures and memories that date back to 1955 when she started attending events with her grandparents, Roma and Leota Paule. Gramps Roma and his friend, Harold Valentine, signed my application for membership. I became a member on April 26, 1972, and what a great 50 years it has been.

The best part of our 50 years is sharing it with our family. Both Brian and Brett are now 25-year members. It would be very hard for Judi and I to add up the number of times we had one or all the grandchildren on our boats. It's time to go home; no, I want to stay on Mimi's boat.

Again, I thank you for this honor. We are very proud of our sons, their work ethic and dedication to our Club, a family Club.

BVYC Strong

Respectfully,

P/C Don Rogers

P.S. It's a shame that so many of our members do not attend the Change of Watch meeting, a respectful thing to do. Thank the outgoing for all of their hard work and accomplishments and welcome the incoming, pledge your support and maybe even join a committee to do some work.

An aerial photograph of a marina filled with numerous boats of various sizes, including sailboats and motorboats, scattered across the water. The boats are mostly white, with some having colorful accents. The water is a light blue-grey color. The background shows more boats and the edge of the marina.

Its time to sign up to play the NASACAR game for 2022. New contestants are welcome. You must be a member or a part of the family of a Bay View member or an employee of the club to play. The rules are the same as last year's, with only 4 sign-up sheets. There are again several road courses on the schedule and the dirt race at Bristol is still on. That was a real mess last year and a lot of fun to watch. The 2021 NASCAR driver regular season Champ and Chase champion was Kyle Larson.

Our Bay View 2021 first place finisher was Joe Sepulveda. He also had the most wins. Rocky Gillespie came in second, Chris Knack third. Chris also was our Rookie of the Year. Kenny Nemire finished fourth and Steve Schuldt was fifth. Wendy Brann, our statistician, won the Chase.

I'd like to give a big thank you to Wendy for all her help.

Racing begins at the Los Angeles Coliseum with the Busch Clash on Sunday, February 6, then switches to Daytona for the duel qualifiers on Thursday, February 17, and the Daytona 500 on Sunday, February 20. Races will be on FOX and FS 1 through mid-June and will then switch to NBC and USA channels.

The first race sheet must be submitted before the Daytona 500 begins on February 20. To join our NASCAR team at Bay View contact Monica Jankowski at 2940 107<sup>th</sup> Street, 419-726-2940 or [jankowskim@buckeye-express.com](mailto:jankowskim@buckeye-express.com)
