Commodore David Krell

Report from the Commodore

September is here and the month of August is gone in a blur! From poker run stop regattas, cocktail parties, ILYA Bay Week, and let's not forget about our very own Homecoming Poker Run Stop. Wow, our weekends have been full of fun while representing our club.

August 7th thru 11th Lady Courtney and I attended ILYA Bay week, while we were there we participated and attended various events. Upon arrival we did a couple boating competitions such as docking and the chicane. We also participated in volleyball, softball, and played putt putt. This year Bay View Yacht Club was able to continue it's success at ILYA as many of our members were presented with awards for placing in the top three of their classes in various competitions. Not only did our members win there, the club also won a couple awards including a second place win for volunteerism and a first place win for participation where we took home a trophy made in 1926. One last thing for ILYA, P/C Scott Kneisel also was awarded the Commodores Trophy which is the highest award that can be given to someone who wins the overall boating competition. Last year Tom Blank won the Commodores Trophy making BVYC members back to back winners!!! Hopefully more members will attend next year and compete for BVYC.

Following ILYA week we returned on Sunday to Bay View to see the wrapping up of many projects that had been going on to get us ready for our Homecoming. The club looked amazing with a lot more little details put into things than I would have ever expected. A huge thanks goes out to Homecoming Chairman Brian Roger and his many crews who put on a great event. Thank you to Sharon Kneisel and Ruthann Murphy for being the leads for the cocktail party and everyone else who helped turn the club into an Old Fashioned Ice Cream Shop. Thank you to our House Chairman Doug LaLonde and his team who made the club shine as well as adding amazing artwork in lots of places! Thank you to our Bar Chairman Tony Blank and bartenders who made sure we weren't dehydrated over the hot weekend. Thank you to Dock Chairman Carl Butler who made sure everyone who wanted to spend the weekend with us was able to! Thank you to all the members who came out and supported our homecoming weekend by working or bringing your friends out to enjoy a great event. I'd like to thank Lady Courtney very much for her love and support of me and the club. Courtney, I know you do a lot for different events that make the club and I look good and I'm so grateful....Cont'd

Report from the Commodore Cont'd

Over this past month a lot of people have been asking me what they can do to help and support me and the club. The best answer I have is to come out and support the club. If there is a dinner come out and have a dinner and bring your friends! I know some people may think going to a dinner is just a dinner, but by coming to the dinner your are supporting the hard work of the people putting on the dinner. Support dinners that are raising money for a special project or just a fun night like R/C Campbell's comedy show. All of the people involved in putting on the event want what is best for the club. Maybe you don't like hamburgers or comedy shows, but by being at the club for these events you're supporting the hard working volunteers and it makes a huge difference to them. Another great way to support is to come to general membership meetings on Wednesday night. This is the best way to hear what is happening at the club and also to share your concerns. I am doing my best to keep the meetings on track and to make them as productive as possible. When at the meetings please remember we operate under Robert's Rule-please give respect to the people who have the floor and wait your turn to speak and they will give you that same respect back.

A quick reminder that the Color Cruise date has been changed and pushed back one week to October 12. Check out the Fleet Captains board for more information. Thank you for your continued support of Lady Courtney and I. Let's have an amazing September!!

David Krell

Just a reminder

Dr. Seuss

Each year our amazing BVYC members participate in the Toledo Holiday Parade in November. Our floats theme is Dr. Seuss and we LOVE handing out books to children along the parade route.

Now is the perfect time to pick up Dr. Seuss books or other wintery tales at garage sales, yard sales, church bazaars, library sales, etc. **We would love our membership to help us reach our goal of collecting 1,000 books to hand out!!!**

If you would like to drop your books off at BVYC we will have a box under the shuffle board table for donations. We appreciate your donations and help in meeting our goal!!

Report from the Vice Commodore

We have had quite a few events going on. Congratulation to BVYC for the attendance and awards at ILYA. As for the Homecoming, A big shout out to Brian Rogers and all that put in all kinds of time preparing for this large event. The weather turned out great and the attendance was great both nights. Also I would like to say to everyone that was involved in sprucing up the clubhouse, it looks fabulous. The outside entrance to the galley, the main entrance to the clubhouse and women's restroom look great. It was quite a bit of work and it does not go unnoticed.

Thanks also to all that helped in the deck project, Looks great and have heard from members and nonmembers how good it looks.

September 28th I am having a bus trip to Twin Oast Brewery in Catawba. There is a signup sheet at the bar along with the flier for additional details.

I will be listing the upcoming fundraiser events for the Commodore Ball for 2020 in the October newsletter. For those curious it will be held at the Summit formally known as the Event Center on March 28th 2020. Please don't hesitate to call if you have any questions.

Report from the Fleet Captain

Fleet Captain Shirts are available for \$15- See Dave Patlin

Our most recent cruise was August 2-6- at Marina Del Isle at Skipper Buds/Lakeside. We had 7 boats make the trip with 19 people. We were visited by an additional pontoon full of BVYC members on Saturday. We enjoyed Cleat's restaurant food, beverages and entertainment. We also took advantage of, a great pool/patio area. We were able to also use their clubhouse rooms and galley. The channel provided an opportunity for a relaxing day touring around in dinghy's.

The next scheduled cruise is August 23-25-Middle Bass

September 6-7- Maumee Bay State Park

If you have any questions regarding any of the positions please do not hesitate to ask any one of us or one of the officers.

You must have been a member for 2 years in good standing. If you are interested in running for financial secretary or treasurer you will be subject to a FBI back ground check.

Please contact Colleen Cashman, Greg Snyir, Ted Sicha, Tim Krell or Carl Butler

NEW DECK

The members of BVYC are great, you all seen what we had to do to the deck to make it safe by replacing many of the boards and many of you were very generous and helped out by buying 3 boards for \$20.

All that was collected almost finished the deck and with the motion from P/C Bob Kneisel of \$500.00 we accomplished just about everything that we needed to get done.

We still have a few things that need to be done yet if a few more dollars can be collected and then hopefully we will be able to accomplish that in the near future.

BIG THANKS go out to Ed Griffin and Rudy Seiler for stepping up and starting the project even though it was hot out and then to Mike Deangelo, Randy Sherff, Steve Cummerow and Jen Harsh for finishing the project in time for homecoming.

All in all thank you to BVYC for letting the project be accomplished.

P/C Colleen Cashman

WOW IS ALL I CAN SAY

Kudos to the members of BVYC for coming together to make the club look great.

I along with the members of BVYC would like to thank Sherron Ward for her hard work in spear heading the work around the club. Sherron had a dream and an idea and put it all together and with help from many ladies was able to accomplish some of her wish list to spruce of the club. All the ideas and hard work is not done yet and I am sure you will see many great things in the future.

There were many people that helped and I do not want to forget anyone and if I do I will apology ahead of time here and make sure you get your recognition in the next newsletter.

Ruthann Murphy, Marilyn Ziegler, Alberta Engle and I cannot forget the 2 men that helped out Randy Sherff and Mike DeAngelo.

If you have not seen the work of arts and the paint jobs please take the time to walk around the club.

P/C Colleen Cashman

From the Yard Chairman

Haul Out slips are available behind the bar. We will begin pulling boats October 1st. If you need to be out sooner, please contact Mike DeAngelo.

ELECTRIC SHOCK DROWNING (ESD)

Did you know that you are at risk by entering the water near a boat or dock powered by electricity? ESD can be deadly and is the result of a person coming into contact with an electrical current in the water. Stray voltage can come from boats or docks with faulty wiring, frayed cords and devices not approved as shore- or marine-rated. It can cause complete loss of muscle control, the inability to move and, ultimately, lead to drowning.

Learn how to protect you and your family from ESD.

IF YOU THINK SOMEONE HAS BEEN SHOCKED:

- THROW IN A LIFE RING OR OTHER FLOATATION DEVICE.
- NEVER ENTER THE WATER. YOU COULD BECOME A VICTIM TOO!
- TURN OFF THE SHORE POWER CONNECTION AND DISCONNECT POWER CORD FROM PEDESTAL.
- CALL FOR HELP. USE 911 OR VHF CHANNEL 16 (AS APPROPRIATE).

HOW TO PREVENT ESD:

- DO NOT ENTER WATER NEAR A MARINA OR DOCK.
- TURN OFF THE SHORE POWER CONNECTION AND/OR DISCONNECT POWER CORD FROM PEDESTAL.
- IF YOU FEEL A TINGLING SENSATION, GET OUT OF THE WATER AND REPORT IT TO STAFF.
- NOTIFY THE HARBORMASTER OF ANY ELECTRICAL SAFETY HAZARDS SO THEY CAN BE FIXED.
- PETS ARE ALSO IMPACTED BY ESD. DO NOT ALLOW YOUR PET TO ENTER THE WATER.

ESD IS PREVENTABLE AND BOATERS ARE A LARGE PART OF THE SOLUTION. THE FOLLOWING TIPS WILL HELP ALLEVIATE ELECTRICAL CURRENTS ENTERING THE WATER:

HAVE A QUALIFIED MARINE ELECTRICIAN:

- INSTALL AN EQUIPMENT LEAKAGE CIRCUIT INTERRUPTER (ELCI) ON YOUR BOAT OR USE A GROUND FAULT CIRCUIT INTERRUPTER (GFCI) IN THE SHORE POWER CORD.
- PERFORM AN ANNUAL INSPECTION OF YOUR BOAT'S ELECTRICAL SYSTEM.
- TEST GFCI AND ELCI PROTECTION AS RECOMMENDED BY THE MANUFACTURER.
- USE POWER CORDS THAT ARE IN GOOD CONDITION AND PROPERLY RATED. DO NOT USE COMMON HOUSEHOLD EXTENSION CORDS.
